Dear Hal:

I thought you'd be interested in the Rolling Stone story enclosed on the Ray-King case.

This will be on the newsstands beginning sometime next week.

I didn't even know they had it in the wind. I don't think there is anything new, but to me, it isn't a bad wrap-up. What do you think?

I'll talk to you soon. I'll be on a one week vacation from June 15th thru June 22nd.

Sincerely,

Jon
